01 Governor Arm Assembly
JW-GE-GA168/188

02 Piston Connecting Crank
JW-GE-PS168/188

03 Cylinder Head
JW-GE-CY168/188

04 Air Filter
JW-GE-AF168/188

05 Crankcase Cover
JW-GE-CC2KW/5KW

06 Frame Rear
JW-GE-FR2KW/5KW

07 Muffler
JW-GE-MF2KW/5KW

08 Fuel Tank
JW-GE-FT2KW/5KW

09 Panel Assembly
JW-GE-GA168/188

10 Alternator Assembly
JW-GE-AT2KW/5KW

11 Frame
JW-GE-FM2KW/5KW

12 Recoil Starter
JW-GE-RS168/188

01

Governor Arm Assembly JW-GE-GA168/188

JW-GE-GA168
Governor Arm Assembly

JW-GE-GA188
Governor Arm Assembly

An assembly of metal arm and springs, to adjust the speed of the engine

Piston Connecting Crank JW-GE-PS168/188

An set of piston, crank, connecting rod and other parts, the combustion of the fuel will cause the set to work continuously, to keep the engine running

03

Cylinder Head JW-GE-CY168/188

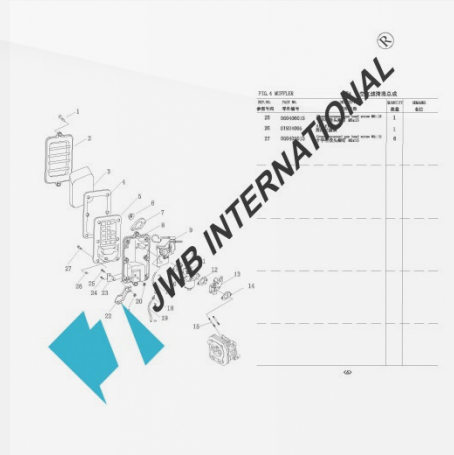

JW-GE-CY168/188 Cylinder Head

An assembly of aluminum alloy parts, to form the cylinder room for the engine

Air Filter JW-GE-AF168/188

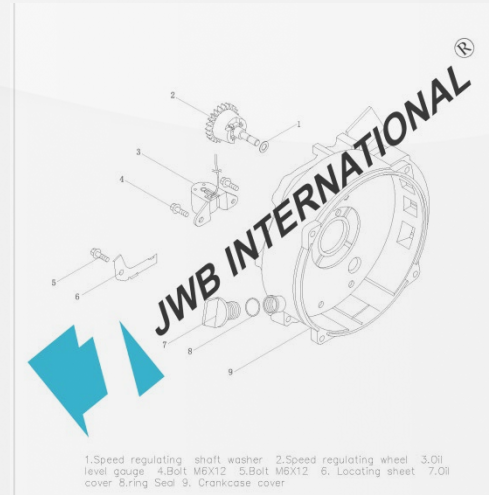

An assembly of plastic and foam parts, to filter the air that sucks into the engine

05

Crankcase Cover JW-GE-CC2KW/5KW

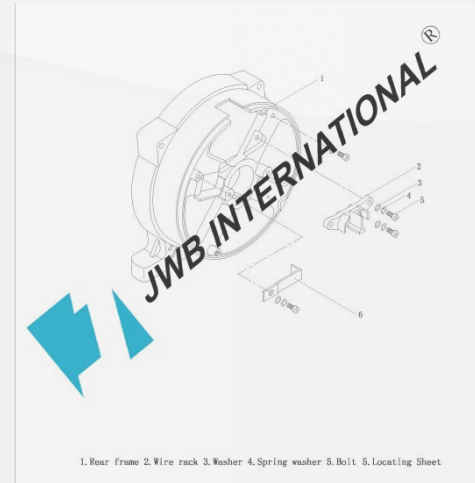

JW-GE-CC2KW/5KW Crankcase Cover

1.Speed regulating shaft washer 2.Speed regulating wheel 3.Oil level gauge 4.Bolt M6X12 5.Bolt M6X12 6. Locking sheet 7.Oil cover 8.ring Seal 9. Crankcase cover

An aluminum alloy cover for the crankcase

Frame Rear JW-GE-FR2KW/5KW

An aluminum alloy frame to keep the alternator

07

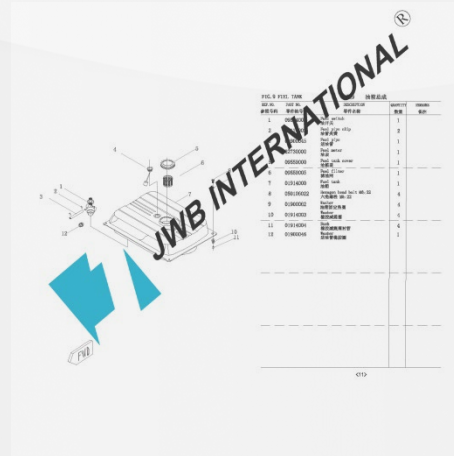

Muffler JW-GE-MF2KW/5KW

An assembly of steel parts to reduce the noise of the engine

Fuel Tank JW-GE-FT2KW/5KW

JW-GE-FT2KW/5KW Fuel Tank

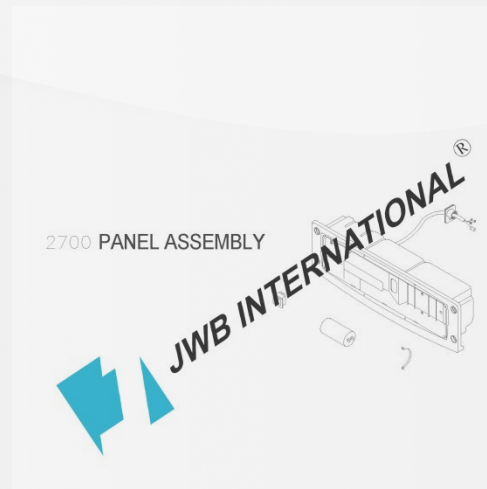

An steel tank to holds the fuel for the engine or generator

09

Panel Assembly JW-GE-PA2KW/5KW

JW-GE-PA5KW
Panel Assembly

2700 PANEL ASSEMBLY

An plastic control panel with all the input and output devices and switches for users to operate

JWB INTERNATIONAL

10

Alternator Assembly JW-GE-AT2KW/5KW

Rotor and Stator

11

Frame JW-GE-FM2KW/5KW

A steel frame to hold all the parts for the generator and convenient for users to carry

Recoil Starter JW-GE-RS168/188

An assembly of steel and plastic parts for users to pull and initiate the engine

JWB INTERNATIONAL[®]

Thank you very much
for your attention!
